**This course explains how to prepare for and run an agile project, highlighting documentation, techniques and roles and responsibilities.**

## Overview

AgilePM Foundation introduces the DSDM Agile Project Management framework, a pragmatic and repeatable methodology. AgilePM training and certification is based on the AgilePM Handbook, published by the Agile Business Consortium. The Handbook offers a practical and repeatable methodology that achieves an ideal balance between the standards, rigour and visibility required for good project management, and the fast-pace, change and empowerment provided by Agile.

## Why Learn with 20/20?

As the largest independent provider of project management training in the UK, we are here to support and guide you through professional training. 20/20 care about your development as a project professional and will help you and your team achieve new qualifications.

### Who Should Attend?

AgilePM certification is designed for project professionals and team members wishing to adopt a flexible, collaborative approach to project management, whilst improving standards, quality and pace of delivery.

### Virtual Classroom Delivery

This 3-day virtual classroom course is a fully immersive and interactive experience. Each day, a single session spanning from 9 am to 5 pm ensures focused learning. Taught by a fully qualified facilitator, it will equip learners with the tools they need to increase the chances of project success.

### Course Content

#### The programme will cover the following topics:

- The underpinning philosophy and principles of Agile.
- The lifecycle of an Agile project, including alternative configurations.
- The products produced during an Agile project and their purpose.
- The techniques used and their benefits and limitations.
- The roles and responsibilities within an Agile project.

### What our customers say...

#### Clear and Concise

"The training was clear and concise and gave us the start and tools to pass the exam."

Trusted Customer - 3rd April, 2023

#### High quality & maximum support

"I looked around for a Project Management course online and was eventually recommended 20/20 as a provider..."

Trusted Customer - 2nd Nov, 2022
